European Directorate for the Quality of Medicines & HealthCare

COUNCIL OF EUROPE CONSEIL DE L'EUROPE

Scientific Programme Officer - Pharmaceutical Care and Anti-Counterfeiting Programme (Grade A1/A2)

Duty station: Strasbourg (France)

Ref No: e122/2012

The EDQM (European Directorate for the Quality of Medicines and HealthCare) are looking to recruit a Scientific Programme Officer to join the team for a five year period to organise, manage and monitor a number of projects related to Pharmaceutical Care and Anti-Counterfeiting activities with a particular focus on the implementation of the MEDICRIME Convention

Therefore, proven experience in the area of the safe use of medicines (pharmaceutical care) or combating counterfeit/falsified medical products, gained either in the pharmaceutical industry, a Competent Authority or an analogous organization is essential.

The successful candidate will be educated to degree level (in pharmacy, biology, chemistry public health or social medicine) or an equivalent qualification. He/she will have a very good level of English; knowledge of French would be an advantage. The successful candidate will have the ability to manage projects to deliver results while at the same time demonstrating the capability to develop and build teams and relationships. In addition, he/she will have excellent advisory and negotiating skills, topped off with a sense of diplomacy.

More details on the job description, the required competencies, information on the recruitment process, conditions of employment including salaries, allowances, pension scheme and social insurance and also importantly on how to apply can be consulted via our recruitment website http://www.coe-recruitment.com. Applications must be submitted by **11/06/2012 (midnight Central European Summer Time)** at the latest. Please note we only accept applications posted via our online recruitment web-site.
